

Annual Baby Diaper Drive Receipt

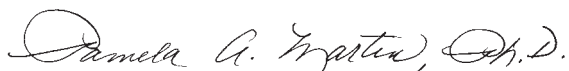

Thank you for your donation to the "Annual Baby Diaper Drive" to benefit Homeward Bound families. Your donation has made a significant difference in the lives of homeless and domestic violence families with children. Diapers, baby supplies and cash contributions will be used to support Homeward Bound families needing baby supplies in emergency situations.

Founded in 1990, Homeward Bound has been assisting homeless and domestic violence families with children as they transition to economic independence. Beginning with one family and one home, Homeward Bound now owns and operates 155 housing units, which today, serves over 539 individuals, 362 of which are children. We know that by providing a comprehensive social services program, which includes mental health counseling for children, we can significantly assist the children and their families as they begin to break the cycles of poverty, homelessness and domestic violence and work towards self-sufficiency.

Homeward Bound also accepts cash and donations throughout the year to support a variety of other projects including: back-to-school, mini food drives, career clothing closet, thanksgiving food boxes, etc. Please contact us with any questions or ideas on these programs or the services we provide.

Thank you again for contributing to our "Annual Baby Diaper Drive." With your help Homeward Bound can continue to help those in need.

Sincerely,

Pamela Martin, Ph.D.
Executive Director, Homeward Bound
